Gruppen- und Vereinswertung – Arlberger Wadlbeisser 13,5 km / 7 km

The group and club classification is all about the fun factor.

A group/club must consist of at least 3 members.

Prizes are awarded to the largest group/club at the finish and the group/club with the best costume. The Furthest traveled group/club will also be rewarded.

Help may be accepted from teammates as well as from other participants.

The choice of route - 13.5 km or 7 km - does not have to be announced in advance. The route length can be decided spontaneously by the group/club for obstacle 13 (Arlberg tunnel).

If an obstacle is not completed by all group and club members the first time, all members must complete penalty exercises (squats, push-ups, etc.) in the designated area.
